

Luca Pelizzari

Postdoctoral researcher | University of Vienna
Department of Statistics and Operations Research

luca.pelizzari@univie.ac.at

github.com/lucapelizzari

Swiss citizen | Born 14 January 1996, Thun (Bern)

Research interests

Stochastic analysis; rough paths and signatures; stochastic Volterra equations; volatility models.

Academic positions

Oct 2025–present	Postdoctoral researcher University of Vienna Research group of Christa Cuchiero.
Apr–Sep 2025	Postdoctoral researcher WIAS and TU Berlin Research groups of Peter Bank and Christian Bayer. Member of CRC/TRR 388, Project B03.
Sep 2022–April 2025	Doctoral researcher WIAS and TU Berlin Supervised by Christian Bayer and Peter Friz.

Education

2022–2025	Ph.D. in Mathematics TU Berlin Supervisors: Christian Bayer and Peter Friz. External examiners: Antoine Jacquier and Josef Teichmann. Final grade: 1.0 (<i>summa cum laude</i>).
2020–2022	M.Sc. in Mathematics ETH Zurich Supervisor: Dylan Possamaï. Major in Mathematics (90 ECTS). Final grade: 5.88.
2016–2020	B.Sc. in Mathematics University of Zurich Major in Mathematics (150 ECTS); minor in Banking & Finance (30 ECTS). Final grade: 5.5.
Sep–Dec 2019	Exchange semester in Mathematics University of Birmingham, United Kingdom

Research affiliations

Doctoral studies	MATH+ Project AA4-2 Member Optimal Control in Energy Markets Using Rough Analysis and Deep Networks.
Since Jul 2024	IRTG-2544: Stochastic Analysis in Interaction Associated member of the graduate school

Teaching

Current teaching

Winter 2026/27 **Statistical learning with high-dimensional data**
University of Vienna | Lecturer

Upcoming teaching

Summer 2027 **Stochastic Analysis**
University of Vienna | Lecturer

Summer 2027 **Mathematical Optimization**
University of Vienna | Co-lecturer, with Anna Kwossek

Supervision

Aug 2024–Aug 2025 **Master's student co-supervision**
TU Berlin
Jointly with Christian Bayer.

Earlier teaching and research assistance

Summer term 2026 **Probability 1**
University of Vienna | Exercise course

Nov 2025–Jan 2026 **UE Statistics 1**
University of Vienna | Exercise course

Jan–Apr 2025 **Insurance Mathematics**
TU Berlin; Teaching assistant and deputy lecturer.
Lecturer: Lukas Lüth Rath.

Feb–Sep 2022 **Probability Theory & Statistics**
ETH Zurich; Teaching assistant.
Lecturer: Vincent Tassion.

Sep 2021–Jan 2022 **Probability Theory**
ETH Zurich; Teaching assistant.
Lecturer: Wendelin Werner.

Aug 2018–Aug 2021 **Research and teaching assistance**
University of Zurich; Assistant.
Lecturer: Christiane Barz.

Sep 2020–Feb 2021 **Lineare Algebra für Naturwissenschaften**
University of Zurich; Teaching assistant.
Lecturer: Jean Bertoin.

Feb–Jun 2020 **Stochastik für Naturwissenschaften**
University of Zurich; Teaching assistant.
Lecturer: Christoph Luchsinger.

Sep 2018–Jun 2019 **Analysis für Naturwissenschaften**
University of Zurich; Assistant.
Lecturer: Christoph Luchsinger.

Academic service

Referee activity

Journals	Electronic Journal of Probability The Annals of Applied Probability Stochastic Processes and their Applications Mathematical Finance SIAM Journal on Financial Mathematics
----------	--

Event organisation

1 Jul 2026	Path-dependent and signature modeling in finance Mini-symposium, 13th Bachelier World Congress, Bologna, Italy. Co-organised with Christa Cuchiero.
1 Jul 2024	Developments in Computational Finance and Stochastic Numerics Honouring John Schoenmakers on the occasion of his retirement. WIAS, Berlin, Germany.
24–26 Jun 2024	19th Berlin–Oxford Young Researchers Meeting on Applied Stochastic Analysis WIAS, Berlin, Germany.

Languages and technical skills

Languages	German: native. English: very good written and spoken proficiency (C1 level). French: good written and spoken proficiency (DEL F B2 level).
Programming	Python: very good knowledge. MATLAB and R: good knowledge.
Scientific writing	L ^A T _E X: very good knowledge.
Office software	Microsoft Word, PowerPoint and Excel: very good knowledge.

Earlier education and qualifications

2015–2016	Federal A-level examination (Matura), WKS Bern. Full-time Passerelle programme.
2014–2015	Federal commercial professional baccalaureate, WKS Bern. Full-time.
2011–2014	Federal Diploma of Vocational Education and Training (EFZ), Wirtschaftsmittelschule Thun Schadau. Focus on economics.
2008–2010	Secondary school, OS Progymatte Thun.
